

The Sixth Debt Management Facility (DMF) Stakeholders' Forum titled "Debt Management in a Dynamic World: Coping with Capital Flows and Hidden Risks" takes place over June 3–4, 2015 at the Headquarters of the Asian Development Bank, Manila, Philippines. The objectives are to provide a forum for discussion of a policy-relevant agenda on debt management, to discuss current

challenges faced by developing countries with respect to debt management, and to foster knowledge exchange among participants. The Forum is targeted toward policy-makers and debt managers from developing countries, international and regional technical assistance providers, representatives of civil society organizations, as well as bilateral donors and multilateral development banks.
