Sources: For LICUS list of countries—OPCS, World Bank. For conflict-affected LICUS—World Bank 2005k. For list of countries in non-accrual—World Bank 2005g.

Notes: S indicates LICUS classified as “severe” (an overall and governance CPIA of 2.5 or less); C indicates LICUS classified as “core” (an overall and governance CPIA of 2.6–3.0); and M indicates LICUS classified as “marginal” (an overall and governance CPIA of 3.2).

a. Countries in non-accrual.

b. Marginal LICUS score on the edge of what is considered LICUS and identified by the Bank only for monitoring purposes (hence, the total includes only “core” and “severe” LICUS, not “marginal” LICUS).
