- Allocating state social old-age benefits

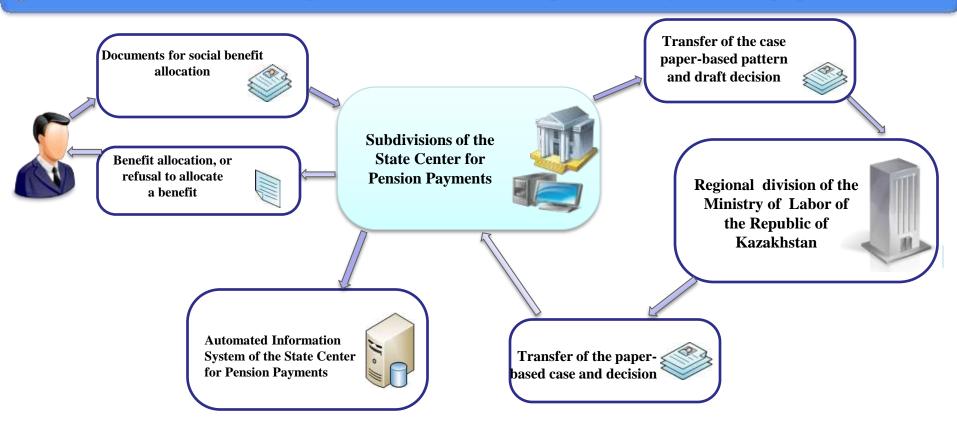

#### **Changes in Providing Services through E-Government Portal**

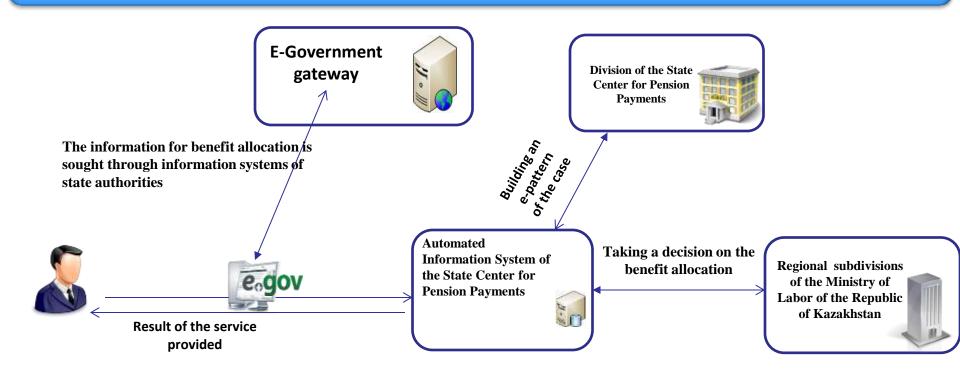

#### **Process of Allocating Social Benefits Used up to January 1, 2011 (paperwork)**

- · Challenges:
- Manual data processing
- Expenses for paper-based patterns transportation
- Timing for allocation and payments increased (15 working days)

#### Launching the Internet Delivery of Public Services through E-Government

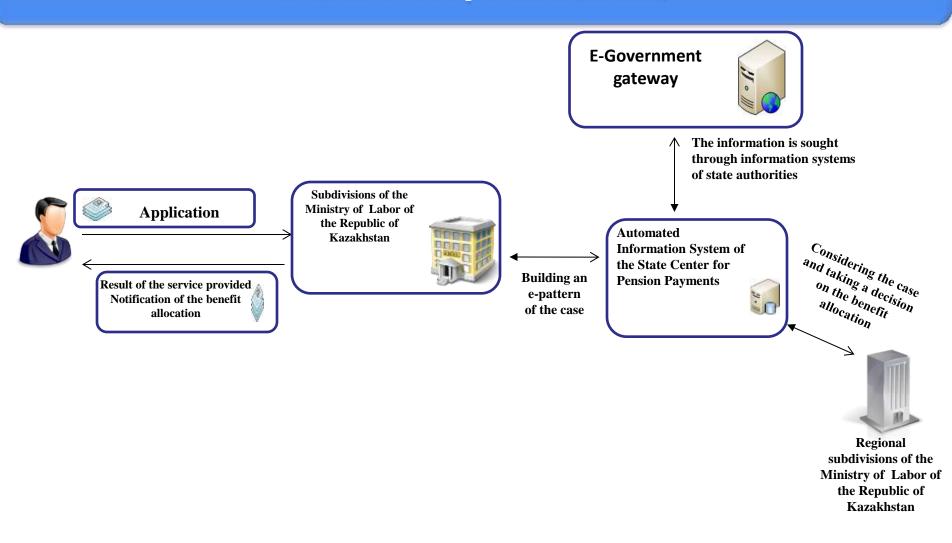

#### Advantages:

- 1. No need for a person to collect different official documents and contact authorities;
- 2. No queues;
- 3. Benefit allocation time decreased;
- 4. Corruption level reduced;
- 5. Citizens' confidence in public authorities increased;
- 6. Complete process automation.

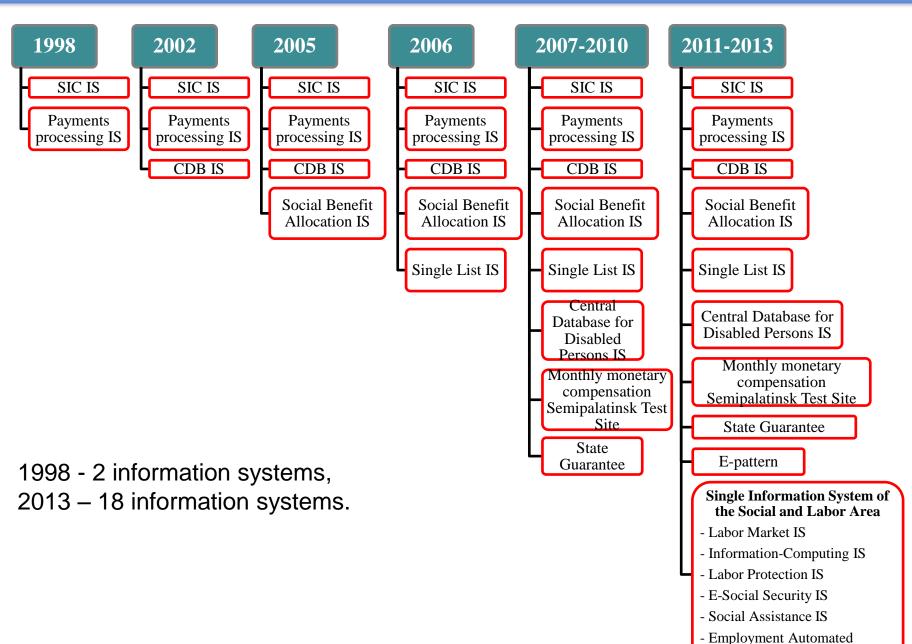

## Business Process Optimization since 2013 (the number of documents required from the population for the service to be provided is decreased)

#### **Development of SCPP Information Systems**
