

# Education Innovations for 21<sup>st</sup> Century Skills

## Incentivizing effective teaching in Central Asia:

### Some Lessons from New York City

Raisa Belyavina  
World Bank Conference  
Bishkek, June 22-23 2015

# Define effective teaching: To what goal?

Make everyone responsible and accountable  
for student success

# Empower teachers

Give teachers autonomy and opportunity for collaboration

# Reduce teacher work load

# Invest in school leadership

# Teacher education should correspond with the goals for the 21<sup>st</sup> century
