

**Notice of Uncontested Sanctions Proceedings**

**August 10, 2021**

**Sanctions Case No. 659  
IDA Credit Number 5233-VN  
(Vietnam Da Nang Sustainable City Development Project)**

**Respondent:  
Technique Import Export Joint Stock Company**

1. On May 4, 2021, the World Bank’s Chief Suspension and Debarment Officer (the “SDO”) issued a Notice of Sanctions Proceedings (the “Notice”) to Technique Import Export Joint Stock Company (the “Respondent”) pursuant to sub-paragraph 4.01(a) of Section III.A of the Bank Procedure: Sanctions Proceedings and Settlements in Bank Financed Projects issued by the Bank on June 28, 2016 (the “Sanctions Procedures”).
2. The Statement of Accusations and Evidence (the “SAE”) prepared by the Bank’s Integrity Vice Presidency (“INT”) and appended to the Notice contained INT’s accusation that the Respondent engaged in Sanctionable Practices (as defined in the Sanctions Procedures) in connection with the above-named project (the “Project”). The SAE also contained the evidence gathered by INT in support of this accusation.
3. The specific accusation made by INT in the SAE was that the Respondent engaged in a collusive practice (as defined in the 2011 version of the World Bank’s Procurement Guidelines) in connection with its consortium bid for the supply and installation of ticketing and intelligent transport systems for a Bus Rapid Transit (“BRT”) contract in the city of Da Nang. In particular, INT demonstrated that the Respondent entered into an improper arrangement with another local firm, which was temporarily suspended by the World Bank, designed to let the ineligible firm circumvent its temporary suspension and participate in the Project. The Respondent’s arrangement with the ineligible firm involved, among other things, embedding two of the ineligible firm’s staff members in its operations, accepting assistance from the ineligible firm to source necessary suppliers for the contract, and an expectation that the ineligible firm would be involved in the BRT contract’s execution.
4. Based on a review of INT’s SAE conducted in accordance with sub-paragraph 4.01(a) of Section III.A of the Sanctions Procedures, and pursuant to sub-paragraph 4.01(c), sub-paragraph 9.01, and sub-paragraph 9.04 of Section III.A of the Sanctions Procedures, with due consideration of the factors set forth in sub-paragraph 9.02 of Section III.A of the Sanctions Procedures and in the World Bank Group Sanctioning Guidelines, the SDO recommended in the Notice that the

***Recommended Sanction: Debarment with Conditional Release  
Minimum Period of Ineligibility of Five (5) Years***

*It is recommended that Technimex (together with any entity that is an Affiliate directly or indirectly controlled by Technimex) be declared ineligible (i) to be awarded or otherwise benefit from a Bank-financed contract, financially or in any other manner;<sup>1</sup> (ii) to be a nominated<sup>2</sup> sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract; and (iii) to receive the proceeds of any loan made by the Bank or otherwise to participate further in the preparation or implementation of any Bank-Financed Project; provided, however, that after a minimum period of ineligibility of five (5) years, Technimex may be released from ineligibility only if Technimex has, in accordance with sub-paragraph 9.03 of Section III.A of the Sanctions Procedures, demonstrated to the Bank Group’s Integrity Compliance Officer that Technimex has complied with the following conditions:*

*(a) Technimex has taken appropriate remedial measures to address the Sanctionable Practices for which Technimex has been sanctioned; and*

*(b) Technimex has adopted and implemented, in a manner satisfactory to the Bank, integrity compliance measures as may be imposed by the Bank Group’s Integrity Compliance Officer pursuant to sub-paragraph 9.03(b) of Section III.A of the Sanctions Procedures (e.g., an integrity compliance program or elements thereof) to address the Sanctionable Practices.*

*In determining this recommended sanction, the SDO took into account, as aggravating factors, (i) the sophisticated means through which Technimex engaged in the collusive practice, noting that Technimex embedded two of*

The SDO did not apply any additional aggravating factors and did not apply any mitigating factors.*

*This declaration of ineligibility will extend across the operations of the World Bank Group, including IFC, MIGA, and the guarantee and carbon finance operations of the Bank.<sup>3</sup> The Bank will also provide notice of this declaration of ineligibility to the other multilateral development banks ("MDBs") that are party to the Agreement for Mutual Enforcement of Debarment Decisions (the "MDB Cross-Debarment Agreement") so that they may determine whether to enforce the declarations of ineligibility with respect to their own operations in accordance with the MDB Cross-Debarment Agreement and their own policies and procedures.<sup>4</sup>*
