Jaya Etika Teknik (the “Respondent”) pursuant to sub-paragraph 4.01(a) of Section III.A of the Bank Procedure: Sanctions Proceedings and Settlements in Bank Financed Projects issued by the Bank on June 28, 2016 (the “Sanctions Procedures”).
2. The Statement of Accusations and Evidence (the “SAE”) prepared by the Bank’s Integrity Vice Presidency (“INT”) and appended to the Notice contained INT’s accusations that the Respondent engaged in sanctionable practices in connection with the above-named project (the “Project”). The SAE also contained the evidence gathered by INT in support of these accusations.
3. The specific accusations made by INT in the SAE were that the Respondent engaged in corrupt practices by (i) making at least one payment of Indonesian Rupiah (“IDR”) 50,000,000 to the Head of the relevant Project Implementation Unit (the “PIU”) to influence the procurement and/or execution of a water resources and irrigation works contract under the Project; and (ii) making weekly payments over six months of IDR 200,000 to each of two additional PIU staff members involved in supervising the worksite to influence the contract’s execution.
4. - (a) Jaya Etika has taken appropriate remedial measures to address the sanctionable practices for which Jaya Etika has been sanctioned; and*
- (b) Jaya Etika has adopted and implemented an effective integrity compliance program in a manner satisfactory to the Bank.*

In determining this recommended sanction, the SDO took into account, as an aggravating factor, Jaya Etika’s repeated pattern of misconduct, noting that Jaya Etika made multiple corrupt payments to public officials. The SDO did not apply any additional aggravating factors. The SDO also took into account, as mitigating factors, (i) Jaya Etika’s assistance and cooperation with INT’s investigation, noting that while Jaya Etika’s representatives agreed to meet with INT and acknowledged that payments were made to public officials, the representatives did not admit to the corrupt nature of the payments or accept responsibility for the misconduct; and (ii) the significant passage of time since the misconduct occurred and

² A nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider (different names are used depending on the particular bidding document) is one which has been (i) included by the bidder in its pre-qualification application or bid because it brings specific and critical experience and know-how that allow the bidder to meet the qualification requirements for the particular bid or (ii) appointed by the borrower.

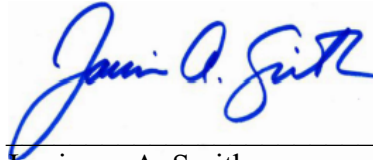

since the Bank was made aware of it. The SDO did not apply any additional mitigating factors.

This declaration of ineligibility will extend across the operations of the World Bank Group, including IFC, MIGA, and the guarantee and carbon finance operations of the Bank.³ The Bank will also provide notice of this declaration of ineligibility to the other multilateral development banks (“MDBs”) that are party to the Agreement for Mutual Enforcement of Debarment Decisions (the “MDB Cross-Debarment Agreement”) so that they may determine whether to enforce the declarations of ineligibility with respect to their own operations in accordance with the MDB Cross-Debarment Agreement and their own policies and procedures.⁴
