

QUESTIONNAIRE ABOUT ENTREPRENEURSHIP

1. Data about Companies

1.1 Statistics about firm creation and closure

This table intends to measure the level of firm creation and firm closure in the economy. While providing statistics, please consider the following elements:

1. "Companies with Limited Liability" refer to all companies with a form of Limited Liability (LLC, Simplified LLC, etc.).
2. "All Companies" include all types of legal forms of firms or business establishments (including LLCs and others).
3. "New" numbers refer to the newly created firms during the calendar year.
4. "Closed" numbers refer to the closed firms during the calendar year.
5. "Total" numbers refer to the stock of existing firms at the end of the calendar year.

Please kindly complete the information below corresponding to each of the years:

	Companies with Limited Liability¹			All Companies²		
	<i>NEW</i> Limited Liability Companies³ (registered during the calendar year)	<i>CLOSED</i> Limited Liability Companies⁴ (closed during the calendar year)	<i>TOTAL</i> Limited Liability Companies⁵ registered at the end of the calendar year)	<i>NEW</i> Companies³ (registered during the calendar year)	<i>CLOSED</i> Companies⁴ (closed during the calendar year)	<i>TOTAL</i> Companies⁵ (registered at the end of the calendar year)
