# How to Participate

## ATTENDING VIRTUAL EVENTS

Virtual Annual Meetings events will be conducted on different platforms based on the type of event. By-Invitation-Only events are open to all Annual Meetings registrants and will be listed on [AMWeb](#); registered attendees will be able to watch the event on the [Meetings Login](#) page. All public events, including the Press Conference, will be streamed on [World Bank Live](#) and registration is not required.

## WORLD BANK LIVE

[World Bank Live](#) is the Bank's video streaming website. The public program of events and Press Conference will be streamed live on this site (with recordings available for replay). Registration is not required to stream these public events.

## MEETINGS LOGIN PAGE

This [password-protected page](#) will provide access to invitation-only events that are open to Annual Meetings registrants and Bank staff. Registration confirmation letters will include instructions on how to log in to the [Meetings Login](#) page to see event viewing links. If an event is not on the

Meetings Login page, the invitation list for that event is closed and invitations will be issued directly by the event organizer. Be on the lookout for communications from [meetingsregistration@worldbank.org](mailto:meetingsregistration@worldbank.org) with your login instructions.

## IN-PERSON PARTICIPATION

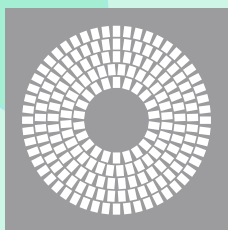

As the 2021 Annual Meetings will be in mostly virtual format, only those participants invited specifically to attend the Development Committee or IMFC meetings will require a badge to enter and move around the HQ buildings. Instructions for picking up a registration badge will be shared directly with the invited attendees of these events.

## GOVERNORS STATEMENTS

Governors may submit statements to express their views on issues related to the 2021 Annual Meetings agenda. Governors statements can be viewed on [AMWeb](#) beginning on October 14.
