SCHEDULE

The full schedule of the Annual Meetings and related events is available on AMWeb. The public program of events, including the Press briefings and the Annual Meetings Plenary speeches, will be streamed and registration is not required to view the event streams. Viewing links for events will be posted on the schedule.

HEALTH AND SAFETY PROTOCOL

Annual Meetings participants should follow prevailing health and safety guidance, including all signage posted in and around Bank and Fund buildings.

- Masks are optional but encouraged and widely available throughout the buildings.
- Self-testing is recommended although self-test kits will not be provided. Those experiencing symptoms of COVID-19, or those who test positive, should not enter the Bank/Fund buildings and should report their positive result to the Medical Officer on Duty and follow the CDC guidance regarding isolation.
- Departure tests will not be available onsite. Departure tests (PCR) for travel should be scheduled in advance through a hotel, local testing facility or pharmacy. Arrangements and payments for these tests are the responsibility of the individual.
REGISTRATION AND BADGES

All participants must be accredited in advance of the Meetings.

Annual Meetings badges will allow participants to access buildings from Monday, October 10 through Sunday, October 16. All individuals must display their Annual Meetings badges or Bank/Fund staff badges for access inside the security perimeter and into Bank/Fund buildings. It is not advisable, however, to wear identification badges in public outside the perimeter, especially if there are demonstrators nearby.

- **Delegates**: Delegate badges will allow building access through Friday, October 21.
- **Press**: Press Badges grant access to the press room, press conferences, and press briefings. Members of the press must be accompanied by a staff escort within office areas at all times. Members of the press requiring building access after October 16 must comply with World Bank/IMF procedures for a visitors pass.

From October 10 to October 16, all individuals, including Annual Meetings badge holders and Bank/Fund staff, will be subject to magnetometer and x-ray screening before entering Bank/Fund facilities. Screening lines move quickly, but individuals should allow extra time for this process to arrive on time for a scheduled meeting.

GREEN MEETINGS

In line with our organizational mission and the Sustainable Development Goals, the World Bank has implemented a campus-wide waste disposal system to improve recycling and composting efforts and reduce waste sent to landfill. We encourage you to help reduce our overall environmental footprint. In the common areas on each floor of the buildings, you will find four color-coded collection bins with detailed signage indicating what materials are to be placed in each.

- **Blue Recycling**– Recyclables such as bottles, cans, and plastics
- **Green Recycling**– Paper, including water boxes and cardboard
- **Red Composting**– Compostables, including food waste and all WB take-away containers
- **Black Landfill**– Any items that can’t be recycled/composted. If you are unsure, place items here.

We encourage you to help in our sustainability efforts and respect our planet’s resources by doing your part to reduce our overall environmental footprint. Please [watch this short video](#) on how you can help!

During the week of the Meetings, there will be an increased police presence around Bank/Fund headquarters buildings. In the event of an emergency, please follow the instructions of security and law enforcement officials.

A security perimeter will be in place around the World Bank MC building and IMF HQ 1 & 2 buildings from Thursday, October 13, through Sunday, October 16 (times subject to change). During this time:

• Access will be limited to those carrying an Annual Meetings badge or a Bank/Fund staff ID.
• All persons entering the security perimeter will be subject to magnetometer/x-ray screening – please allow extra time for this process.
• Visitor passes will not be issued for the MC and J buildings. Any planned in-person meetings during this time must include only Annual Meetings participants or staff.
• Delegation cars, staff cars, or other private vehicles will not be allowed to enter; only law enforcement vehicles or police-escorted motorcades will be allowed into the security perimeter. Delegation cars may drop off at perimeter entry points:
  o Perimeter entry points will be set up at the MC South Entrance (G Street), MC Visitor Center Entrance (18th Street/Pennsylvania Ave), and Fund HQ2 Entrance (19th Street/Pennsylvania Ave).

Security Tips

• In an emergency, the buildings may be evacuated or you may be told to remain indoors until the situation has been resolved. In either instance, you will be notified by public address announcement, messages on digital signage/video monitors, and by Security personnel.
• Visibly display Annual Meetings badge at all times within the security perimeter. Keep badge in a secure place when outside the security perimeter. Immediately report the loss of a badge to Security.
• Do not leave personal items unattended.
• Avoid areas where crowds are congregating. If entry into the buildings is impeded by demonstrators, request assistance from police or security; do not engage in conversations or debates.

What to do in an Emergency

Building Evacuation
When: Fire, smoke, or a hazardous condition is detected in the building.

• Leave the building by the nearest evacuation stairwell. Do not use elevators.
• If you are mobility-impaired and cannot evacuate, call the emergency number listed on your badge, or use one of the emergency phones located in the stairwells/floors of Bank/Fund buildings.

If you see or smell smoke, do not wait for a public announcement.

• Leave the building immediately by the nearest evacuation stairwell.
• Follow the ceiling-mounted EXIT signs to the evacuation stairs. Evacuation stairs also are identified on wall-mounted maps at the elevator landings on all floors.

Remain In Building (“Shelter-in-Place”)
In many situations, remaining indoors will be the most sensible response should an emergency occur.

When: A threat or dangerous condition outside the building is identified.

• Stay indoors until notified that it is safe to exit the building.
• Move away from street-facing offices to interior corridors and meeting rooms; listen for updates through public address announcements; be aware that the building air-handling systems may be turned off and elevators may be recalled to ground level. These are standard procedures.

Building Closure
Should it be necessary to close a building, announcements will be made on the public-address system and messages will appear on digital monitors.
Participants are invited to join one of the many activities hosted by the Moroccan Planning Team on behalf of the Kingdom of Morocco, host country of the 2023 World Bank and IMF Annual Meetings.
