Open and By-Invitation-Only Events

The World Bank Group is committed to supporting Meetings participants with disabilities. Please contact us if you require accessibility accommodations.
ATTENDING VIRTUAL EVENTS
Virtual Spring Meetings events will be conducted on different platforms based on the type of event. **All events will be listed on the AMWeb Schedule with viewing links, if available.** Click on the title of the event for detailed information, or access viewing platforms by clicking the “Watch Live” and “Meetings Login Page” links within the schedule.

MEETINGS LOGIN PAGE
This password-protected page will provide access to invitation-only events that are open to Spring Meetings registrants and Bank/ED staff. Registration confirmation letters (sent by meetingsregistration@worldbank.org) include instructions and the password to access the Meetings Login. Once you have logged in, click on the title of the event in the schedule for detailed information and viewing links. If an event is not on the Meetings Login page, that event is closed and invitations will be issued directly by the event organizer. If a viewing link is not included with the event information, that event is not being streamed by the event organizer.

MISS AN EVENT?
Replays of the public events will be available on World Bank Live. Replays of By-invitation events that were livestreamed will be available on the Meetings Login Page approximately 12-24 hours after the event.

IN-PERSON PARTICIPATION
As the 2022 Spring Meetings will be mostly virtual, only Delegates and those Observers specifically invited to attend the Development Committee or IMFC meetings will require a badge to enter and move around the HQ buildings. Instructions for picking up a registration badge have been shared directly with approved attendees. No other participants will be issued Spring Meetings badges.
Stay Connected

**AMWeb** is your primary resource for schedule and speaker information. Stay connected with up-to-the-minute updates, and download the participant list from the [Networking page](#).

![2022 Spring Meetings](#)

On the **Meetings Login** page, you will have access to a Participant List and messaging feature where you can send secure messages to other participants. Click “Participants” to send a message directly to a participant, and go to your Inbox to see messages that have been sent to you.
