Notice About the 2020 Spring Meetings

Due to the evolving situation of the Coronavirus (COVID-19) and growing health concerns, the World Bank Group and International Monetary Fund (IMF) have agreed that the 2020 Spring Meetings will transition to a virtual format. Our overriding priority is to ensure the health and safety of Spring Meetings participants and staff.

As a result, Spring Meetings registration for all categories has been suspended. Any registrations that have been previously confirmed are no longer valid and on-site registration will not be available. Please contact meetingsregistration@worldbank.org for any questions related to registration.

We remain fully committed to engaging with key stakeholders on today's pressing global economic challenges. Updates regarding the Meetings will be posted on [AMWeb](#) when available.

If you have a business need to visit the World Bank Group offices in Washington, DC during the week of the Spring Meetings, please email your point of contact to make a request for a Visitor's Badge.

Thank you for your understanding and cooperation in this matter.
