

UK Government – UNHCR – World Bank  
Building the Evidence on Protracted Forced  
Displacement

## Research Program Overview

December 15, 2022

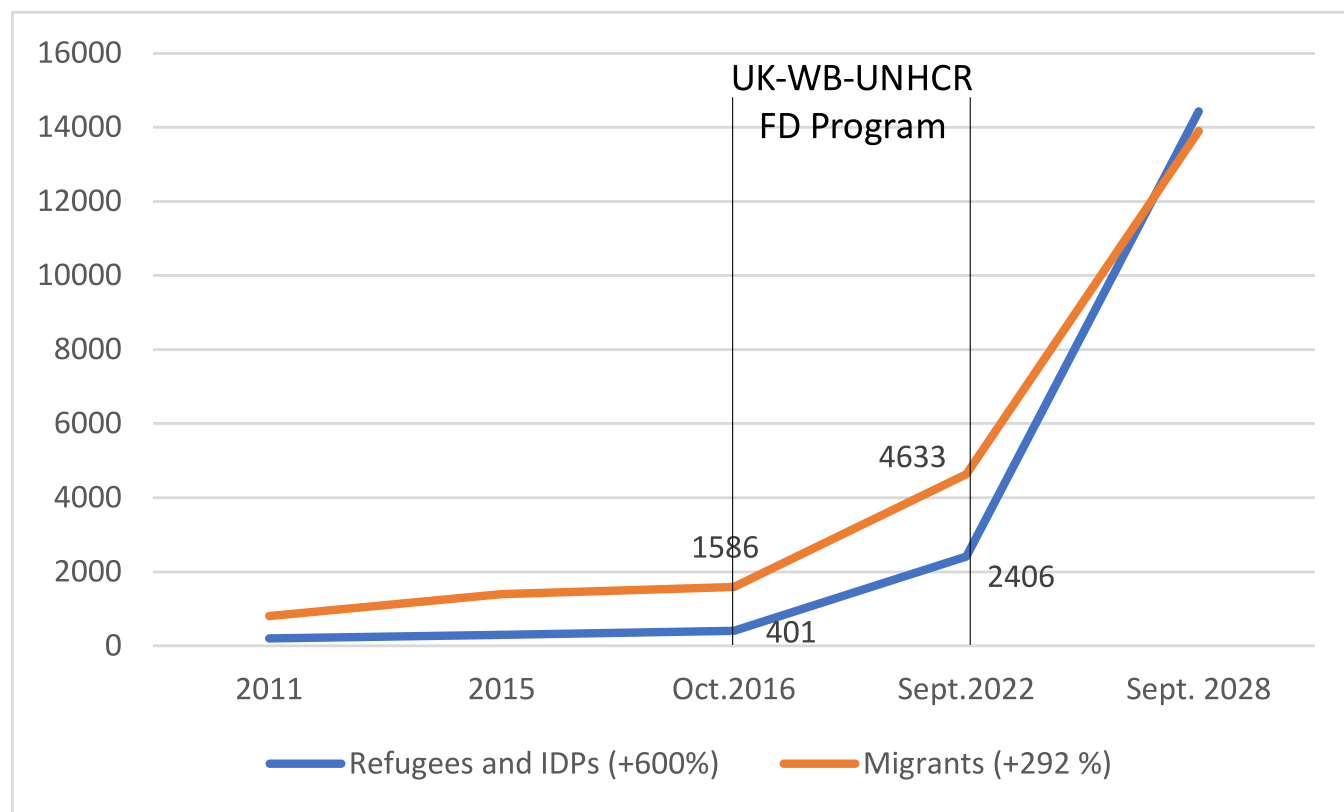

---

Building the Evidence on Forced Displacement

# Recent Growth in FD Research (2016-2022)

Number of publications in refereed journals with words “refugees”, “internally displaced” and “Migrants” in titles and keywords (“Econpapers” repository)

- 2011 Syrian Refugee Crisis
- 2015 Peak of the EU Migration Crisis
- 2022 Ukrainian Refugee Crisis

# Building the Evidence on Protracted Forced Displacement

- UK-WB-UNHCR Partnership
- 6 years (2016-2022)
- 16 m USD (UK Government)
- 6 pillars:
  1. Thematic global studies
  2. Impact evaluations of specific programs/projects
  3. Focus papers on topics of special interest
  4. Microdata initiative, now WB-UNHCR Joint Data Center
  5. Young Fellows Program
  6. Public Data Repository

# Studies by sector and geography

Theme	Global	Europe & Central Asia	Latin America & Caribbean	Middle East & North Africa	South Asia & East Asia	Sub-Saharan Africa	Total
<b>Social Cohesion</b>	<b>8</b>	<b>7</b>	<b>6</b>	<b>5</b>	<b>3</b>	<b>12</b>	<b>41</b>
